

OLD BEND NEIGHBORHOOD PARKING BENEFIT DISTRICT

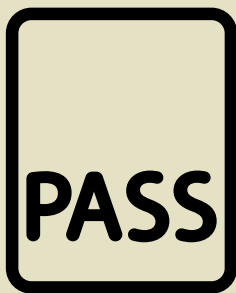

Simple Fixes to Parking in Old Bend

1

Residential Parking Permit

Ensure priority parking for residents within the Old Bend Neighborhood Parking District. A reasonable annual permit fee will help operate the program.

2

Guest Parking Permit

Visitor or guest passes will be available to every household in the parking district. Dedicated guest permits for Short Term Rentals without driveways will be available as well.

3

Improved Signage

New and innovative signage will be installed to ensure that residents as well as visitors to the area will easily understand parking rules. Signs will respect the historic character of the neighborhood.

4

Effective Enforcement

24/7 effective parking enforcement to ensure rules within the parking district are followed.

5

Special Event Paid Parking

Special Event parking areas will limit negative effects of special event parking and encourage event attendees to seek value parking in other areas.

6

Financial Benefit

A portion of generated parking revenue is returned to the district to finance improvements that enhance the quality of life and promote neighborhood safety.
